SAVE THE DATE **CARSK INVESTIGATORS MEETING**

Saturday June 4th, 7-8 pm

Prof. Chadban and Prof. Banerjee will host the Investigators meeting at ATC in Boston. It will be a great opportunity to meet you in person and provide the latest study updates. Please join us **Saturday June 4th, 7-8 pm**. Dinner will follow (location TBD). A zoom link will also be provided to everyone who won't be able to join in person.

We would like to take this opportunity to congratulate the sites that were able to reach their target enrolment in the months leading to ATC:

**Kingston, London, Saskatchewan and Halifax
Great Job!**

Dr. Mysore Phanish and his team have made great progress with activation in April and already one patient randomised. We welcome **Dr. Phanish, Benny Laijee, Kwame Ansu, Eva Garcia and Tina Raju.**

Brighton and Sussex

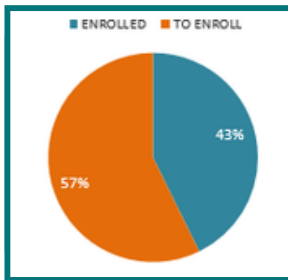

Dr. Kostantinos Koutroutsos and his team have completed all the startup activities and have been activated on April 5. They are the second UK site to be recruiting on CARSK. Welcome to **Dr. Koutroutsos, Mel Smith, Kate Trivedi and Zdenka Cipinova**

We sincerely thank both teams for their dedication and support with the study and for the hard work put into the start up activities and recruitment. We are so excited to have you in CARSK!

Congratulations!

CARSK has grown internationally reaching 21 sites in North America and Europe and 15 sites in Australia and new Zealand for a total of 36 active sites around the globe. We are expecting more sites from the UK and Germany to join, stay tuned!
